

Sandy Officials Honored with “Best of State” Medals

On May 29, Sandy’s Mayor Tom Dolan and Community Development Director, Mike Coulam were awarded Best of State medals. Mayor Dolan was awarded the medal for Utah’s Mayor category while Mike Coulam received the medal for City Planning.

Presented annually, the Best of State Awards were created to recognize outstanding organizations and businesses in Utah. Nominations are reviewed by more than 100 judges and are evaluated based on three areas: achievement in the field of endeavor, innovation, and contribution to improving the quality of life in Utah.

The residents of Sandy have benefited from Mayor Dolan’s leadership during the past 17 years. He has worked hard to improve all aspects of the city through building a strong commercial base, expanding and improving infrastructure for roads and utilities, creating a safe city through increased police protection, adding additional parks and open space and engaging citizens in local government through volunteerism. Also under Mayor Dolan’s leadership, other activities such as the Sandy Balloon Festival, Deck the Hall, Healing Field and the largest event in Sandy, the annual Fourth of July celebration, have been started. Mayor Dolan has been a strong supporter of the arts and was recently awarded the Governor’s Community Leadership in the Arts. The mayor has worked closely with the city council and the employees to ensure the residents of Sandy continue to enjoy quality services and one of the lowest tax rates in the county.

Mike Coulam has been the Community Development Director for Sandy since 1982. Under Mike’s direction, the

city developed the first city-wide comprehensive plan that has guided development throughout the city for decades. Mike is honored for his vision of the South Towne commercial corridor which has been a successful part of Sandy’s business growth and an anchor for

new businesses desiring to move to Sandy. Several national organizations have recognized Mike for his professional land-use planning and for his support and participation in a variety of volunteer organizations that contribute to an enhanced quality of life in Sandy.

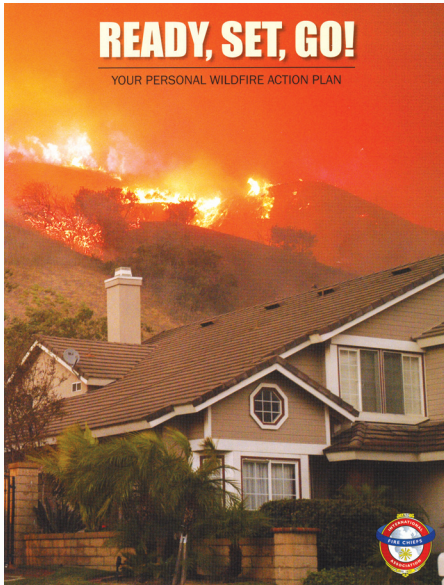

Sandy Fire Department Launches “Ready, Set, Go” Program

The Sandy City Fire Department along with other national agencies is launching the “Ready, Set, Go” program to educate residents on becoming more prepared in the event of a wildland fire. Sandy City is one of eight cities nationwide to assist with the launch of the program.

This safety program will assist residents living in “high risk” areas along Sandy’s east bench to become better prepared in the event their homes are threatened by a wildland fire.

Successfully preparing for a wildfire requires the personal responsibility of the resident in protecting their property and family. Studies show that as many as 80 percent of the homes lost to wildfires could have been saved if their owners would have practiced a few simple fire safety precautions. In addition, most wildfire related deaths occur because people wait too long to leave their home.

The “Ready, Set, Go” program is designed to heighten the awareness of the threat of wildfires in residential areas and

to help residents complete an action plan as a tool in becoming more prepared.

The fire department campaign was launched on June 21 with a printed preparedness guide being delivered to

Sandy City Council Adopts a New Budget

On June 1, the Sandy City Council voted to adopt Mayor Dolan’s proposed budget for the City. City general fund revenues have decreased by nearly ten percent over the past two years. However, fiscal analysts for the city have been conservative in their revenue projections, helping the city to be in an excellent position to move forward as the economy continues to recover. The primary emphasis of this new budget is to maintain and improve basic core municipal services. This includes retaining the city’s talented employees, improving Sandy’s streets, and improving the city’s water and storm water system. For more information, you can view the budget at www.sandy.utah.gov or contact the Sandy Finance Department at 801-568-7128.

Days of '47 Horse Parade

The Days of '47 Horse Parade is being celebrated once again in Sandy. The parade will take place on Saturday, July 11 at 10 a.m. at the South Towne Center located south of Sandy City Hall. This event is a kick-off to the Days of '47 festivities and is free to attend. Spectators are encouraged to arrive early.

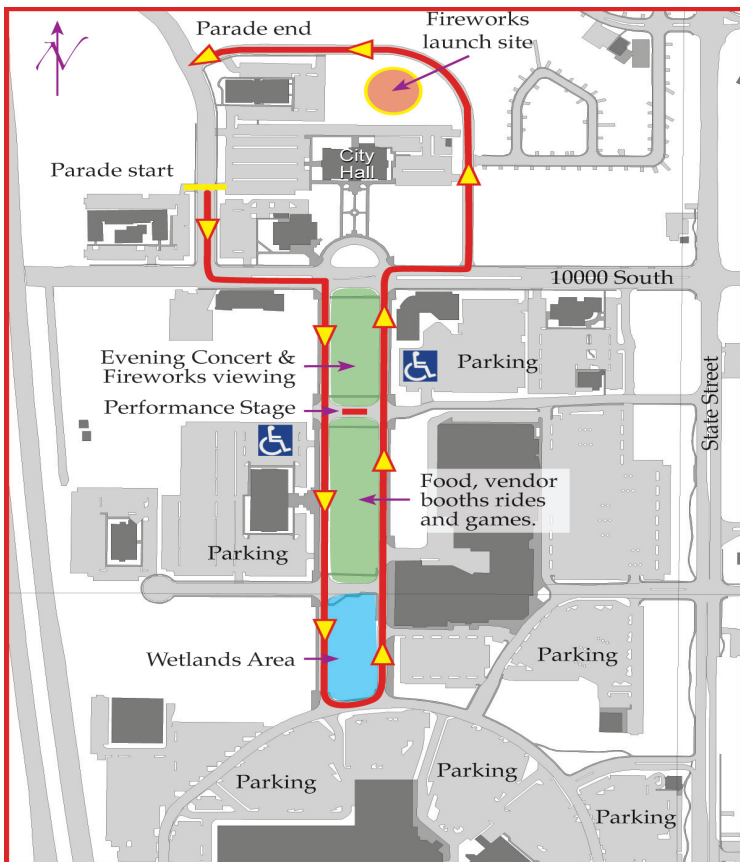

The parade is the largest of its kind in the nation. This parade's uniqueness lies in the fact that only

horse-related entries are invited to participate and spectators can see them all at close range. Participants include giant draft horses to tiny miniatures, beautiful wagons and well-preserved carriages, drill teams, authentic costumes and plenty of talented rodeo royalty.

For more information about the Days of '47 Horse Parade, email Jerry or Janet King at jandjallhorse@gmail.com or visit online at www.daysof47.com.

Slim Down Shape Up 2010

Slim Down – Shape Up 2010 was a big success! Healthy Sandy, Alta Canyon Sports Center, SelectHealth, Curves, and Utah Home Fitness teamed up to encourage Sandy residents to adopt healthy lifestyles and lose any unneeded weight. Four hundred and fifty people signed up for this ten week program, meeting weekly challenges, going on walks together, and listening to mini-lectures on health and nutrition. Participants also received weekly emails with health and nutrition tips. This year's program also included challenges and activities for kids as well as adults, so the whole family could participate together.

On Saturday, June 12, 130 people came to Lone Peak Park to weigh out at the end of the program and celebrate achieving their goals for a healthier lifestyle. Thousands of dollars worth of prizes were given away by Healthy Sandy and the sponsoring vendors to all who participated.
